

## DIRECTIONS TO THE IRONWORKS MEADOW RESERVE

The Chelmer Blackwater Ironworks Meadow Reserve can be reached on foot along the embankment path alongside the River Chelmer or along the tow path beside the Chelmer Blackwater Navigation Canal.

Those travelling by car can park at the Tesco Superstore CM9 4LE.

Drive to the back of the car park, passing the canal on the right and park near the river. Go through the pedestrian entranceway in the fence, turn right through the opening in the fence and walk 100 metres along the embankment to the Reserve.

(Note there is a time limit to how long you can park at Tesco- do check the notices).
